INTRODUCTION

WE present this revised Price List to our Customers with the assurance to all, of our full appreciation of past business relations and sincerely trust that future dealings may be as satisfactory.

TO PARTIES, who have never dealt with us, we would be pleased to have a share of your business. Personal inspection is cordially invited.

SHENANDOAH is situated in the Southwestern part of Iowa, fifty miles from Omaha, Nebraska. The soil here is especially adapted to the growing of a general line of Nursery Stock.

OUR RAILROAD FACILITIES are excellent. We are on the Chicago, Burlington & Quincy, Wabash and Keokuk & Western Railroads. We have low freight rates and direct lines to Chicago, St. Louis, Omaha, Kansas City, Minneapolis, Denver and other leading points.

WE ADVISE parties to send in their orders early before our assortment of stock is broken. The mode of conveyance by which stock is to be forwarded should be stated. In absence of particulars, we forward same to the best of our judgement, but in no case will we assume responsibility after consignment to purchaser.

PRICES are limited to the Spring of 1904, and supersede all previous Lists, and are subject to a change without notice.

OUR TERMS OF PAYMENT are cash or security before shipment of goods, except with established Nurserymen; when, if unknown to us, satisfactory reference will be required before goods are forwarded.

QUOTATIONS are NET, boxing and baling extra.

REMITTANCES should be made by draft on New York, Chicago or St. Louis, or by Express Money Orders or by Postal Orders. Do not send personal checks.

CLAIMS for deductions will receive consideration only when made promptly on receipt of goods.

CAUTION: We accept all orders upon the condition that they shall be void, should any injury befall the stock from frost, fire or other causes over which we have no control.

The SAN JOSE SCALE has never been found here. We furnish with each shipment a copy of our health Certificate.

GUARANTEE OF GENUINENESS—While we exercise the greatest diligence and care to have our stock true to label, it is mutually agreed between ourselves and the purchaser, that our guarantee of genuineness shall in no case make us liable for any sum greater than that originally paid for stock that proves untrue.
